CALL FOR ABSTRACTS

DEADLINE FOR SUBMISSION : 30th of March 2006

For its annual meeting held this year in Versailles (near Paris) from October 11th until October 14th, the AVEF Scientific Committee is looking for abstracts proposals with various types of communications : state-of-the-art subjects, research topics, "How-to-do" or _infectious diseases and epidemiology topics presented either as oral communications or posters.

Submission of abstracts should be done in electronic form or eventually sent on a disk (word or rtf) completed with a paper form.

- Title, authors and institution must be indicated at the top of the abstract. Also, complete addresses must clearly appear as heading. The title should be in capitals. Author's first name before the last name (last name in capitals). Underline the name of the author who will present the paper if selected.
- Abstracts can be written in French or English and should be no more than 1000 words. Use 1.5 lines spacing and a 11 point font and do not intend paragraphs. One simple table or one graph or one figure may be included.
- The structure of the abstract is flexible but should contain information on the aim of the work, methods, results, discussion and conclusion will be included.
- Abstract will be rejected automatically without scrutiny if they :
 - ❖ Arrive after the closing date
 - ❖ Exceed 600 words
 - ❖ Contain vague or incomplete data
 - ❖ Have already been published before 30th April 2006

The author can indicate his or her preference for oral or poster presentation, but the final decision will be taken by the AVEF Scientific Committee. Authors will be informed of acceptance within two months following the deadline for submission. Instructions relative to oral or poster presentations will be notified then.
